---	-----------------------------	----------------------

- Completed Secondary education at Shri Guru Ram Rai Laxman Inter College.
- Built a strong foundation in core subjects, supporting logical and analytical thinking.

## Projects

---

### Orgaawe

[www.orgaawe.com](http://www.orgaawe.com)

A clean, responsive blogging website about organic living and health, created during my internship at Offbeat Pixels. Designed for curated content and easy navigation.

### The Back To Basics

[www.roobacktobasics.com](http://www.roobacktobasics.com)

Developed during my internship at Offbeat Pixels, this website showcases a group that organizes activities and programs for corporates, schools, and colleges to promote fitness and health. Presented with a clean, engaging layout for clear communication.
